

Hi <<First Name>>

We couldn't let 2021 come to its end without thanking **YOU** for your continued support, encouragement and generosity throughout the year towards efforts to restore Oviatt House.

THANK YOU to our amazing volunteers who removed non-original walls and fixtures throughout the house, revealing the original floorplan. This was a critical step necessary to plan interior restoration work. Any materials that can be reused in the future were saved.

THANK YOU for your generosity. With your help, OHI has raised close to \$47,000 towards restoration efforts. Funds will be used in the spring to begin exterior restoration work which includes installing a new roof, preserving the original siding along with restoring the original chimney and window placement.

THANK YOU for participating in our fundraising events. The outpouring of community support played an important role in helping us raise \$2,500 through the sales of ornaments, wreaths, candles, UGRR activity kits and games.

THANK YOU for recommending eligible funding opportunities. Our nonprofit status makes OHI eligible to apply for government and foundation grants, broadening access to resources that may accelerate restoration efforts.

YOU made the difference. Working together this past year laid a solid foundation for a strong future.

From our house to yours, best wishes and happiness to you and your families as we welcome 2022.
